

SCATTERLINGS ECD TRAINING

Module 1: Owner & Manager Development

START YOUR OWN ECD CENTRE OR IMPROVE YOUR CURRENT ONE

Practical, hands-on training to help you successfully run an Early Childhood Development (ECD) centre.

ABOUT THIS TRAINING

This module is designed for individuals who want to:

- Start a crèche
- Manage an existing centre more effectively
- Build a sustainable ECD business

The training focuses on **real skills you can use immediately**, based on practical experience in a working ECD centre.

WHAT YOU WILL LEARN

This module covers the essential skills needed to run a successful centre:

- Owner roles and responsibilities
 - Managing staff and parents
 - Leadership and decision-making
 - Creating a simple business plan
 - Setting up and structuring your business
 - Basic computer and admin skills
 - Financial management and budgeting
 - Understanding legislation and registration
-
